The Round Table Knights are a DJ / producer duo consisting of Questionmark and Biru Bee. If you had to choose one single word to characterize them it could only be “diversity”. The RTK play all kinds of electronic / acoustic / futuristic / exciting / romantic / intense music. Their bright musical horizon is loved and enjoyed in clubs and at festivals such as Sonar Festival Barcelona , Popkomm Berlin, SXSW Texas or Montreux Jazz Festival. „It’s all about the mix“ they say. Since 2002 the “Knights” are throwing parties all over Switzerland and inviting guests from different musical genres. They hosted and played alongside: TTC, Beastie Boys, Holy Ghost!, Spank Rock, Coco Rosie, Justice as well as Modeselektor, Simian Mobile Disco, Soulwax, M.I.A, Crookers or Poni Hoax, just to mention a few. The „Roundies“ have successfully released two mix CDs, a limited edition 7“, a Remix
